

Glory! Glory! Glory!

*Then Jesus said, "Did I not tell you that if you believe, you will see **the glory of God?**" (John 11: 40)*

I will see the glory of God in my situation! The Glory of God is "the beauty of His Spirit" radiating from my seemingly hopeless or impossible situation. When other may think that "it's over for me!" that is when Jesus steps in. My faith tells me that when I feel that I'm 'at my wits end' or I have reached 'the end of the rope,' God can step in and turn my hopeless situation around for the better. To God be the glory!

Yes, I'm created for God's glory! Just as Lazarus' death demonstrated that God can make the impossible possible, I believe that through Christ and the matchless love of God, my 'dead situation' will live again! Such is the power of a mighty God!

But I must never take the glory for myself! I am a mere vessel that God uses to bring glory to Himself. So when God blesses me with material things, and He gives me a good job, an expensive car, wonderful relationships with family and friends, a beautiful home etc.... I do not claim that I did it all by myself! I didn't! I am just a "carrier" of the glory of God! *"All the things we are able to do and to be find their source in Him."*

The attention should not be on 'me, I and myself' but on a merciful and loving God who snatched me from the 'jaws of death' and imminent defeat. My circumstances were screaming, "You are dead!" But God had the final say: *"No! She lives! He will NOT die! You are born for my glory and to bring honour to my name!"*

And, when I experience 'success' – no matter how small- I must always be quick to direct attention away from myself and unto an amazing and powerful God who made it happened! Give God the glory!

*"This is the mistake many people continue to make: trusting in earthly things, earthly relationships, their own powers or talents or beauty, or the goodness they see in others. But when these things fade and fail as they will inevitably do (being only temporary carriers of the greater glory), these people despair. What we all need to realize is that God's glory is constant, and as we journey through life we will see it manifest here and there, in this person or that forest, or in a story of love or heroism, fiction or non-fiction, or our own personal lives. But it all goes back to God in the end. And the only way to God is through His Son, Jesus Christ. We will find the very source of all beauty in Him, in heaven, if we are in Christ. Nothing will be lost to us. All those things that faded in life we will find again in Him." **Read the full article :** [What Is the Glory of God?](#)*

Heavenly Father,

Thank You for sending Your Son Jesus to show me Your glory! I believe that You created me to bring glory to Your name. I declare that Your glory will manifest in my present situation. Help me not to take Your glory for myself, but to use my test as a testimony of Your constant love and mercy towards me. Because I believe in Your Son Jesus, I will see Your glory in my life. In Jesus' name I pray with thanksgiving. Amen.
